

**The Biodynamic Agricultural Association of Southern Africa is proud to invite you to the following learning / training and practical opportunities confirmed for 2012**

**'Introduction to the principles of Biodynamic Agriculture'** A series of six workshops based on the Agriculture Course of Rudolf Steiner (1924)

Saturday 3 March **SOIL** : The gift and sustainer

Saturday 14 April **SPIRIT AND MATTER** : The formative forces of nature.

Saturday 19 May **FERTILITY OF THE LAND** : Manure and Compost

Saturday 21 July **THE BIODYNAMIC PREPARATIONS** : Mystery and Reality.

Saturday 18 August **THE WHOLENESS OF NATURE** : Ecology and Connectedness

Saturday 13 October **FOOD AND HEALTH** : Nutrition and Consciousness

~ Howard Dobson (Environmental and Goethean Scientist) will present ~

This learning experience will be advanced and extended by Goethean observation exercises which allow the farmer / gardener in you to develop a new qualitative understanding of living nature. This will be facilitated by Helen van Zyl.

**COST PER SESSION:** R130 non-members, R80 members (Concessions available)  
Saturdays from 9.30 to 12.30 at the Biodynamic Association office, Stellenbosch.  
Refreshments will be available at The Green Road Organic Farmers' Market.

(In order to reach our members and friends who cannot attend these workshops, a series of recordings will be available at the end of the year.)

19 – 24 March

**MONTY WALDIN** will be hosted by the Biodynamic Association during this period. Workshop dates and consultation options are being finalized.

20 May
