## Calendar of the soul for the south hemisphere. Week 49

Siento la fuerza del Universo.  
Así se expresa el claro pensar,  
recordando su propio crecimiento  
durante las sombrías noches del mundo,  
dirigiendo hacia el día de mañana  
la radiante esperanza del alma.

Calendar of the soul for the south hemisphere. Week 49

I feel the force of cosmic life:  
Thus speaks my clarity of thought,  
Recalling its own spirit growth  
Through nights of cosmic darkness,  
And to the new approach of cosmic day  
It turns its inward rays of hope.

## Calendar of the soul for the northern hemisphere. Week 23

Es dämpfet herbstlich sich  
Der Sinne Reizesstreben;  
In Lichtesoffenbarung mischen  
Der Nebel dumpfe Schleier sich.  
Ich selber schau in Raumesweiten  
Des Herbstes Winterschlaf.  
Der Sommer hat an mich  
Sich selbst hingegeben

*(Original, Rudolf Steiner, Seelenkalender 1912/1913)*

## Calendar of the soul for the northern hemisphere. Week 23

Autumnal vapors hover  
Over the magic world of sense;  
Within the shining pageant of the light  
Mingles a softening veil of mist.  
I see afar on fields of space  
The wintry sleep of fall;  
The summer that is gone  
Has given itself to me
